## 2019 NEW ITEMS FEBRUARY

### Featured Items

### HD-Cool™ Heavy Duty Oil Cooler P/N 779

Hayden's newest 37mm heavy duty plate fin cooler, P/N 779, is ideal for transmission and engine oil cooling applications requiring higher flow range and increased heat transfer capacity in a compact space.

#### P/N 779 Features:

- Patented internal turbulation for increased heat transfer and minimal pressure drop
- High flow design of up to 5 GPM allows increased heat transfer with over 23,000 BTU/HR
- 37° JIC male flare (-12 AN) fittings for maximum flow capacity
- Pre-drilled mounting brackets for easy installation

Ideal for diesel and heavy duty applications

### Featured Items

### Blue Streak Performance™ by Hayden® Oil Cooler P/N 528

Blue Streak Performance™ by Hayden® introduces a new remote mounted cooler combo featuring some of our most popular cooling components that create a self-contained, compact cooling machine. Each unit comes completely assembled with powder coated brackets for increased durability.

#### Includes:

37mm HD Cooler P/N 779

12" Electric Fan P/N 3910

- IP68 waterproof and dust proof
- Puller design
- Compatible with all Hayden fan controllers
